Progressive Euchre Tournament

Rules:

1. Sign up individually.
2. Random draw will determine your Player number.
3. The tournament will be 8 rounds long (about 2 ½ hours).
4. Each round will consist of eight (8) hands. Each player deals twice.
5. Reneging (if you get caught) is scored the same as if you were set, **unless your opponents are going alone. In that case your opponents will score 4 pts.**
6. Partners earn the same points during each round.
7. The dealer must name trump if there are 3 passes to him on the 2nd round ("Stick the Dealer").
8. No Ace No Face is not a misdeal.
9. Each team pays the Bump Bucket \$.50 after getting set.
10. You may "lay down" your hand in the name of speed play.

Scoring:	1 pt	For making your call
	2 pts	For setting your opponents
	2 pts	If you and your partner take all the tricks
	4 pts	For going alone and making it

- Lonely Larry starts out with 10% of the pot. When you are successful at going alone, you get to hold Larry. When you get set going alone, you must give Larry \$1. The person holding Larry at the end of the final round gets to keep Larry's loot. Do not also pay the Bump Bucket.
